RE: REGALADO-Perea, Francisco
Case #5:03CR50030-001
Violation Report

Dear Judge Hendren:

This is to seek the Court's guidance in the matter of supervision in this case. On October 7, 2003, Your Honor, sentenced the defendant for *Illegal Re-Entry into the United States by Aggravated Felon after Deportation*, to 18 months Bureau of Prisons (BOP) custody and a 3 year term of supervised release. Offender was released from the BOP on September 24, 2004, and subsequently deported to Mexico. His term of supervision is set to expire on September 23, 2007.

On or about August 2, 2007, the offender was found by ICE to be unlawfully in the Western District of Arkansas, Fayetteville Division, without the consent of the Attorney General of the United States or the Secretary of the Department of Homeland Security. In addition, the defendant failed to report to the nearest U.S. Probation Office after re-entry into the United States. At this time, ICE has filed a criminal complaint and a non-bondable detainer. Regalado-Perea had an initial appearance on August 22, 2007, and was detained at that time pending further proceedings.

It is our recommendation that we continue to monitor Regalado-Perea's status regarding a new federal charge and the Court take no action regarding revocation, but instead include the alleged violation as part of the sentencing should Regalado-Perea in fact be indicted.

Should the Court require further information or prefer to handle this matter differently, please advise.

Respectfully,

Tobey L. Reely
U.S. Probation Officer
